My dear Mr. Lambert:

In reply to yours of the 11th. In regard to my family, you have my father and my mother correct. My grand father's name was Joseph Mc Callister, and grand mother's name was Eliza, but they died years ago. Grand father died the year before I was born, and I just can remember grand-mother. She has been dead around 61 years (1890?). I have one aunt living. She is 85 years old, I think. She lives at her address in Oregon — Oregon. Her name is Lizzie Baker

I have one brother and three sisters. All live around Culloden. I live about 1½ miles South of Cull

Shelt Hensley

Interview with Coleman Shelton Hensley at home, Milton, Sunday March 5, 1928. I was born November 4, 1849. Father Fretwell Corelby Hensley, born February 16, 1825 I September 26, 1899, I think. He came from Virginia, Buckinghem (?) Co. He was two years old when his father brought him here. I think Hensley's are of English decent. I think my Grandfather was raised in Buckinghim Co. He settled on Brown's Creek, Kanawha County, near Upper Falls of Cole River. His name was I. John Hensley. My father came to Cabell in 1879 and settled on Wild Cat Creek of Mud. He then moved to Fudge Creek where he died-- Little Fudge on a little creek below Tassen School.

I moved to Tom's Creek February 1880 to home place which we built at that time. James Kelley moved to his place in the Fall of 1879 He came from Lawrence County, Ohio. I helped move him. George Kelley lives in Huntington. Tom Merritt also came there in 1879. Old man Willis Escine Williams lived there before that date.

Old man William Ball preached the first sermon ever preached on the creek in July 1880. He came fromBloomingale, where he was pastor He came on Monday afternoons. The Monday after the 3rd Sunday in July was the date. He came regularly, for a few months. He was passing through and left an appointment. The first meeting was held near the present school house but across where an old store house built by Irvin Johnson stood. It was standing two yearsago.

The next preacher was George Carter father of Reb. John Carter. He preached a few sermons in a private house.

Mrs. Peter Hanschuh lived about where Ben Kelly built a house near the foot of the hill. He came there from Ohio where I had lived three years--same neighborhood. I helped move Kelly and Hanshuh to that place in 1879. She was Mrs. Kelly's mother JOhn Burge father of Wm. Burge built the log house at the foot of the hill above Kelly's in 1881. Finley Woodburn lives in B'ville. He came to the adjoining farm on Fudge Creek, the same year we did 1880. Jos. Hash, Sr. came from there in 1879 and Tom Merritt likewise. Both lived in same house they lived in recently. Killus Station came from Virginia. Mack Bates lived in Horsebone Gap about 1879 also. All of this land. was the C. L. Rolfe land, sold by court and divided up. We bought ~~from Dr. A. J. Bearley who at that time lived at Barboursville.~~
My mother was Edicy McCallister of what is now Lincoln County.

Mrs. Oda Brown's (E. W. B.) address in 220 7th Avenue, The church (record of which she has a pratial copy)., was organized in 1882 J. W. Weaver was the first pastor.

(N. L. says the church was organized, in 1881. She had access to the church record of which has a partial copy).

Scites--Cutlope.

Lived on Oleman Creek. Rev. Elisha Bias lived just above the mouth of Coleman on or near the river. His daughter, Varna McCallister, or Beckett, lives in a new house , just abover her father's old house, yet standing. Cutlope Scites lives on the lower side of Coleman, on the creek, near the hard road and up the creek , about 1/4 mile up.

Cutlope Scites tried to raise silk worms: had a house for them. He was a very fine old man. My grandmother, Ellen Smoot, wife of Gabriel Smoot were moving on a push boat down the river. She got sick, and Mr.Scites let him move into the silk house, but she died. She was the mother of George Smoot. They came down from Virginia, (Tazewell Co.), to Wyoming County, and his first wife died, , leaving four or five children. Then he married Ellen Miller, and they had five children: Martha, Lettie, Rena, George, and Marshall. See Miss Kate johnson, 70, of Logan on the Johnson - Scites. A teacher, Logan, W. Oct. 22, 1856, Richard Mc Callister gave a deed of Trust to James A. Holley, for land on the head waters of Turkey Creek, a branch of the Trace Fork of Mud River. 100 a., patented to said Richard Mc Callister, May 2, 1838, also personal property. Debt of $136.31¢. Record in Cabell County.

Later George Burnside sued the heirs for this land and won the case. He claimed and proved that he bought it May 2, 1859, it being located in Cabell and Putnam Co., mostly in Cabell. Mc Callister had given a title bond for it, but died without making a deed. In the suit which followed, the wife, or widow, signed a statement that Burnside (of Boone Co.) had paid for the land, and she was willing for him to have a deed for it. All these papers are found in a suit of Geo. Burnside vs. the Heirs, etc. in Chancery File 24.

This land had two trust deeds on it, and Burnside paid both. There were also trust deeds on other lands. Richard McC. Sr. lived on Turkey Creek.

Richard Mc Callister died (says the bill) about June, 1859, leaving Sarah, his widow

Sylvester McCallister made oath, on Aug. 29. (1859?) that Burnside bought the land

Sept. 2, 1860, Wilson B. (W.B.) Moore, addressed a petition to Judge David McComas (Court) to be made a party to the suit. (His decd. wife, probably

Finally, James A. Holley swore Burnside had paid all the notes, etc. against the land.

Who Came to the County. Milton, W. Va.

The following information was obtained from Dr.C.H.Morris physician, 85 years of age, still practicing pharmacy in Milton, West Virginia.

The father of C.H.Morris was F.F.Morris, who married Louisa Dudding--all being descendants of the first William Morris, who settled in Teay's Valley, W. Va. Their children were:

Lloyd, who married Elizabeth Marshall,
Dr.Charles H., married Margaret Harshbarger,
Ira,
John, married Maggie Murray,
Joseph, died young,
Anna, married Henry Rece,
Cassie, " George McCallister,
Bertha, " Will Roberts,

Dr.C.H.Morris came to Cabell County in 1879, a graduate of the old school of medicine in Louisville, Ky.,in 1878. He was made a Master Mason, in 1888, and served as Secretary of the Masonic order, for fifty years. In 1884, he took up the study of pharmacy, and so, has only prescribed for his patients in connection with his drug store. He said that he still makes some calls--if anyone wants him bad enough to come after him.

There are only two people still living in Milton who were there when he came: They are J.L.Hall and Mrs.Samp Roberts, who is now in her 84th year. Dr.Morris said that when he came to Milton, there were about two hundred people living there. Only one row of houses on each side of the railroad track, all the rest being farm land: and it was called "Beech Grove" because of the many beech trees growing along the banks of the river.

The first flour mill was owned by John Harshbarger and Milton Newman. John later bought out Newman. Still later George and Ira J. Harshbarger bought out John Harshbarger in the mill business, and erected the mill there, still operated by their children. Howell's Mill, located near the Prichard School, has been rebuilt in recent years, to grind corn for the dairy cows of the school. This was, originally, an old grist mill used to grind corn for the settlers in the early days.

Dr.Morris said that the Prichard School and the Morris Memorial Hospital were both built of native stone, and that Walter Morris, his second cousin, , donated two hundred acres of land for crippled children; and it is this land upon which the hospital is built.

The first building erected was all timber, and was the original farm house, re-modeled, but has since burned down, but the pupils all happened to be safe in the new stone building at the time of the fire.

Mr. F. B. Lambert
Barboursville,
West Virginia.

Dear Mr. Lambert,

I can well understand your desire to have the descendants of both Jeremiah Ward and Joel Estes represented in your compilation of all the pioneer families of Cabell County, West Virginia.

I can tell you nothing definite, as yet, as to the ancestry of Jeremiah Ward. I have covered many of the Virginia records, and am now inclined to believe that the answer to my problem will be found in North Carolina, if it is to be found at all. You have spoken of traditions of Jeremiah Ward which have been carried down to his descendants who are still in Cabell County. May I ask you what traditions? I will much appreciate your informing me as I may, thus, be assisted in my research with the Ward problem. Who are the Ward descendants in West Virginia? Are you a Ward descendant? Is your material to be published, if so when? I am most interested.

For twelve years my husband and I have travelled, secured interviews, and had official records of many counties searched inorder to have as complete a picture as is possible of the Ward and Estes families, including in the research the Brasfield--Brassfield groups who are collaterals. The Estes material is now ready for publication, with the descendants to the present generation represented. It has been a task, expensive in time, energy, and money. I am of double Ward and Estes descent, as well of double Brasfield descent, hence my great interest in the work.

I shall look forward to hearing from you further. Do you wish to have the North Carolina lead upon Jeremiah Ward for research purposes? If so I shall be pleased to share it with you. I will appreciate having the names of the Ward descendants in West Virginia, wish to know what traditions have been carried down by them.

Most sincerely,

A. McAllister.

Mrs. Edward Nevill McAllister.
